

PLEASE READ THIS SOFTWARE LICENSE AGREEMENT CAREFULLY BEFORE USING THE SOFTWARE. THIS IS AN AGREEMENT BETWEEN YOU AND TOPOFLIGHT.

BY USING THE SOFTWARE, YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS LICENSE.

IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, DO NOT INSTALL IT OR USE IT.

1. License.

The software and any parts accompanying this License whether on disk, in read only memory or any other media (the "Software") are sub licensed, not sold, to you for use only under the terms of this Software License Agreement ("License"). You own the media on which the Software is recorded but TOPOFLIGHT and/or TOPOFLIGHT's licensor (TOPOFLIGHT) retain title to the Software. The Software in this package and any copies, which this License authorizes you to make, are subject to this License.

2. Grant of License.

Subject to the restrictions in Section 3, TOPOFLIGHT hereby grants to you the following non-exclusive rights in respect of the Software subject to your fulfillment of the relevant criteria. The rights granted to you are personal and non-transferable. Your rights under this License will terminate automatically without notice from TOPOFLIGHT if you fail to comply with any term(s) of this License.

2.1. Updates and improvements.

From time-to-time TOPOFLIGHT will release updates to the software. For optimal performance, you are advised to download and install updates as they are released by TOPOFLIGHT.

2.2 To request additional Software usage rights, please contact TOPOFLIGHT.

3. Restrictions.

3.1 You may not use the Software in any application or situation where any failure of the Software could lead directly to death, personal injury, or severe physical or environmental damage, including without limitation using the Software for controlling the operation of equipment in any nuclear facilities; aircraft navigation, communications, or flight control systems; air traffic control systems; mass transit systems; applicable medical equipment; or weapons systems.

3.2 This License only gives you some rights to use the Software. TOPOFLIGHT reserves all other rights. Except as permitted by applicable law you may not decompile, reverse engineer, or disassemble the Software. You may not modify, rent, lease, loan, distribute, sublicense, create derivative works from the Software, transmit the Software over a network or otherwise provide commercial hosting services with the Software.

4. Disclaimer of Warranty on Software.

You expressly acknowledge and agree that use of the Software is at your sole risk.

The Software is provided "AS IS" and without warranty of any kind, and TOPOFLIGHT expressly disclaims all warranties, express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. TOPOFLIGHT does not warrant or make any representations regarding the use or the results of the Software or related documentation in terms of their correctness, accuracy, reliability, or otherwise. No oral or written information or advice given by TOPOFLIGHT, or its authorized representative shall create a warranty. Should the Software prove defective, you (and not TOPOFLIGHT or a TOPOFLIGHT authorized representative) assume the entire cost of all necessary servicing, repair or correction. Some jurisdictions do not allow the exclusion so this limitation may not apply to you.

5. Limitation of Liability.

Under no circumstances, including negligence, shall TOPOFLIGHT be liable for any incidental, special, indirect, or consequential damages arising out of or relating to this license or the Software, nor shall TOPOFLIGHT be liable for direct damages arising out of or relating to this license or the Software. Some jurisdictions may not allow this limitation of incidental, consequential or other damages so this limitation may not apply to you. In no event shall TOPOFLIGHT's total liability to you for all damages exceed the amount paid for this License to the Software.

6. Termination.

TOPOFLIGHT may terminate this License upon written notice to you due to (i) an intellectual property infringement claim relating to the Software in the event if TOPOFLIGHT is unable to remedy the infringement by working around such infringement or by obtaining the required license rights; or (ii) your breach of this License.

7. Export Rules.

The Software is subject to Swiss export laws and regulations. You must comply with all Swiss and international export laws and regulations that apply to the Software, including its components. You represent that you have not had export privileges suspended, revoked, or denied by a Swiss governmental agency.

8. Third Party Software.

The Software includes certain third-party software. Such third-party software may be subject to and governed by separate third party license terms and you accept such third-party license terms when you use the Software. Credits and separate license terms applicable to third party software are included in the license and credits file available in the installation directory.

You agree that third party software licensors are third party beneficiaries and thus may rely in their sole discretion on their applicable third-party software license terms instead of and/or in addition to the terms of this License. If separate third party software license terms are not referenced in the license and credit file, the third-party software licensor may in its sole discretion decide to rely on the terms and conditions set out in this License. You agree not to take any actions that may prevent or otherwise impair any such third-party software licensors' exercise of their rights to the third-party software.

9. Controlling Law, Venue and Severability.

This License shall be governed by the laws of Switzerland save that any rules concerning choice of law and venue and the UN Convention on Contracts for the International Sale of Goods ("CISG") are explicitly excluded and will not apply.

Any dispute arising out of or related to this Agreement shall be subject to the exclusive jurisdiction of the ordinary Swiss courts. The aforesaid shall not in any manner limit TOPOFLIGHT' access to utilize any preliminary remedies available in connection with enforcement of TOPOFLIGHT' rights including seeking grant of a preliminary injunction and/or securing of evidence in any applicable jurisdiction.

If for any reason a court of competent jurisdiction finds any provision, or portion thereof, to be unenforceable, the remainder of this License shall continue in full force and effect.

10. License Key

The usage of the software is controlled by a USB dongle or a software license supplied to you. Damaged dongle or software licenses will be replaced subjected to a fee. Lost dongle or software licenses will not be replaced. In such a case the software needs to be purchased again.

11. Complete Agreement.

This License constitutes the entire agreement between the parties with respect to the use of the Software and supersedes all prior or contemporaneous understandings regarding such matter. No amendment to or modification of this License will be binding unless in writing and signed by TOPOFLIGHT. TOPOFLIGHT may however amend the terms and conditions applicable to the Software in connection with any update to or new version of the Software (if any).
